

Tharreo House HIMALAYAS CLASS

Sept-Dec | 2020-2021 | 11/12/2020

Our Attendance

This term, Himalaya's attendance is at 81.4%. This is a good percentage, bolstered mainly by Connor and Jack's excellent attendance – Connor is the only student at Tharreo to have 100% attendance this term! Whilst their attendance is good there is always room for improvement, which is something everyone will be working on next term, alongside improving our punctuality as well.

What a Great Start to The Academic Year

This term in Himalayas we've had a mix of students who have been at Tharreo House for a while and new students as well. Jack and Connor were both a bit nervous to start at a new school but they had Sean and Sam there to show them the ropes.

Himalayas have also had a rotating cast of TA's this half-term! They started out the year with Ms Shaday, then were joined by Mr Michael, who after a few weeks made way for Ms Molly who has been with them since the October half-term.

Things are going to be changing a little bit for Himalayas class after Christmas. The classes are shuffling around a little bit, so all current Himalayas members will be joining Atlas class with Ms Molly, Mr Jemelle, and a new teacher who we are very excited to meet!

Himalayas Progress This Term

As parents and carers updated on your child's progress as often as possible, the termly newsletter is a great opportunity for us to do another re-cap!

Connor has been incredibly busy this term and has achieved lots of amazing things. Whilst working through his ASDAN Gardening short course he has planted lots of different things, including a thriving grass head and some pansies. He's also been spending a lot of time at CABS: either fixing bikes or planning a Social Action Project with the Head Start programme.

And, to top it all off, Connor won the Jack Petchey award for outstanding contributions to the school and was awarded £250 that he could choose to spend on things around the school. He chose a water feature for the pond, a new football net, and a new cage for the school guinea-pigs Twix and Kinder.

Jack has settled in really well this term and has been taking part in all sorts of fun activities. He's been creating some amazing artworks during his ASDAN Art short course and cooking lots of tasty dishes during his cooking lessons whilst working towards his Level 1 in cooking skills.

On Thursday mornings Jack goes to college with some of the other students at Tharreo to do different courses: this half-term they have been making birdhouses in carpentry, and last half-term they were doing painting and decorating, which Jack definitely had a flair for!

Sean has also had some amazing achievements this term. He's been offered places at not one, but two different football colleges! One of these places is unconditional which means that it's basically

guaranteed that he will be able to attend there come September next year. We are all incredibly proud of Sean for this achievement.

He has also been making really good progress in his subjects at school and is set to have a go at his English and Maths exams in January. We know that he will do the best he can and have high hopes for his future.

Last, but certainly not least, Sam has also been doing a range of different activities this term. Whether it is Hair & Beauty with our new Hair & Beauty instructor Ms Tabs, cooking skills with Mr Gemelle, or fixing bikes at CABS on Wednesdays Sam always gives it his all and enjoys what he's doing. We're know that Sam will keep up this enthusiasm next term and are excited to see what he does next.

Our Star of the Term is Jack! This is because he always tries his hardest and produces excellent work. He's been doing really well on the Head Start programme and in college and we're incredibly excited to see what he does next. Well done Jack!
