

Tharreo House ROCKIES CLASS

Sept-Dec | 2020-2021 | 11/12/2020

Our Attendance

At the moment Rockies attendance is currently at 77%. This is disappointing for us, having said that, we believe we are finally in to the swing of things and hope that we can increase our class attendance and punctually in the new year. We also plan on added some incentives to encourage Rockies to come in, even if they have a slight pain that is not contagious. We are equip for most things. We have only had one week that we were ALL in at the same time.

What a Great Start to The Academic Year

This term has been fun getting to know both you and the Rockies class member. We thank you sincerely for making this first term or working with staff for a better outcome for us all.

Rockies class at some point this term have been pushed outside their comfort zone. It's a big transition in to secondary school, they have shown that they can manage change with the support of staff at Tharreo House.

We have definitely seen some lovely progress, children coming into school and making friends with the other pupils at Tharreo House.

The children have had a fabulous time, we have enjoyed trips to the woods, Sensory room time and time with the guinea pigs. We look forward to the Christmas pantomime online next week. We hope that 2021 will see us being able to have more fun offsite.

Individual Progress This Term.

This Page is specific to each child

Our Star of the Term is Brooke, this is because on most of her days in school she has full points. Well done Brooke!
