

# The Beck Spring Term News, January - April 2021

## Back To School

Since all pupils are now back and we have returned to our full time timetable, we have been able to offer some new activities, including PE with Mr James every Monday at The Beck. The boys are also now going to Bramley Bank every Wednesday to attend cooking lessons with Miss Debbie, which they are really enjoying, especially the food tasting sessions which was ice-cream last week!

We also have a new mini-bus and we have been taking the boys to local parks such as Spring Park and Lloyd Park, which has an outdoor gym.

As the term draws to a close the boys have had the opportunity to join in Easter Egg hunt on the field and make chocolate egg cakes.

Sadly, Miss Catherine is leaving the Beck and will be greatly missed by the both staff and pupils. We wish her well in her new role.

Finally, may we wish you a lovely Easter Break and we will see the boys back on Monday 19th April.

## Coming out of Lockdown

After Christmas it was disappointing to everyone that lockdown resumed again in January. However, the boys managed brilliantly, both those who returned to school on a reduced timetable and those who accessed their lessons remotely.

To keep spirits up we had some wonderfully themed school assemblies on Fridays. On 'Big Cat Friday' the classes all made masks according to the new class names 'Thunder Cat's' and 'Black Panthers'. We also had a Pyjama Friday, Fluffy Friday (bring something / wear something fluffy) and Chinese New Year celebrations. We even celebrated Red Nose Day with red egg and spoon races and red egg in the cup. Thank you for all your donations.
