

What a Great Start to The Academic Year

Atlas class well done on getting through your first term! You have had so many changes to get used to, including not having Ms Allison in class with you, but you have managed to get through it all with smiles, laughter and almost, A.L.M.O.S.T no complaining... But honestly, you have been an amazing class group and it has been an absolute delight getting to know you all better.

Here are some of your **achievements**:

Kelly Bales – You not only now attend Beckmead College once a week, but you are also part of the Head Start project at CABS. Your attendance is also **96.15%** which is something to be super proud of. Well done you!

Liam Delacroix – Ms Rose has said how engaged you are during English and that you took part on a sweet taste test! Also, well done on your Tuesdays and Fridays, we look forward to more days like these!

Louise Maynard – It's great having you in our class. Your openness is admirable and we love how you are becoming more independent everyday with your breathing exercises. Your attendance is **99.18%** which is outstanding!

Shaulia Spencer – Atlas would not be the same without you and your attitude towards your exams has been admirable. Well done and keep aiming high!

Tillie-Jane Sullivan – Your creativity in Art and imagination in English is admirable. Your sense of humour keeps people smiling and I know we still have not seen the best of you yet.

You should be proud of yourselves for getting through the individual challenges you have faced and that some of you continue to face. You may not realise it, but we have seen your growth through these difficulties and know it will not prevent you from becoming the best versions of you.

Our Attendance

At the moment Atlas's attendance is **76.13%**. Whilst we know there has been a definite improvement by most of you, we just know you can do better and we at Tharreo always miss your presence when you are not here. However, well done Kelly and Louise on your **Outstanding** attendance! This is something to take pride in and we hope it continues for the rest of the year. There will be a reward trip for you both in the new academic year. This reward can be gained by anyone who achieves more than **90%** attendance.

We wish you all an amazing Christmas and well-deserved break. We will be contacting parents/carers on Friday to discuss our young people further.
