

Key Stage 2 Maths Overview

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7
<b>Au tu m n 1</b>	Number: Place value		Number: Addition and subtraction		Geometry: Properties of shape		Assess/ Low floor-high ceiling activity/ Consolidate
<b>Au tu m n 2</b>	Number: Place value Addition and subtraction	Number: Multiplication and division			Measurement Money and time		Assess/ Low floor-high ceiling activity/ Consolidate
<b>Sp rin g 1</b>	Number: Addition and subtraction Multiplication and division Place value		Statistics	Geometry: Properties of shape	Number: Fractions Decimals Percent		Assess/ Low floor-high ceiling activity/ Consolidate
<b>Sp rin g 2</b>	Number: Multiplication and division Addition and subtraction Place value		Number: Fractions Decimals Percent		Measurement Length and mass		Assess/ Low floor-high ceiling activity/ Consolidate
<b>Su m m er 1</b>	Number: Multiplication and division Addition and subtraction Place value		Geometry: Angles, rotation, coordinates		Number: Fractions Decimals Percent		Assess/ Low floor-high ceiling activity/ Consolidate
<b>Su m m er 2</b>	Number: Multiplication and division Addition and subtraction Place value			Statistics	Measurement Capacity, volume, and temperature Money, Time Length, Mass,		Assess/ Low floor-high ceiling activity/ Consolidate
