Membership of the Governing Body and Register of Business Interests 2020/21

All Governors and Associate Members are required to declare any personal, pecuniary or business interests on their appointment, and also are reminded to update this information at every meeting of the full Local Governing Board and any Committees. This published Register will be updated annually after the first meeting of the school year; however, any changes made during the year will be recorded in the Minutes of the meeting at which they are declared. This document was last updated on 12/08/2021. It should be noted that the school became an Academy with effect from 1st April 2019 at which point a number of changes were made – there have been no amendments to the operation of the Board as of this most recent update other than the change from a Board of Governors to a Local Governing Board. The three previous main Committees of the Board (Business Strategy Committee, Learning, Teaching and Standards Committee and Pupil Care Committee) were abolished with effect from 1st September 2018. This document does not show information for the Board of Trustees of the Beckmead Trust which should be shown in a separate document on the Trust's website. The production of this document this year has been delayed due to Covid-19 restrictions.

Co-opted Governors are appointed by the Local Governing Board.
 Parent Governors are elected by the school's parents and carers.
 Staff Governors are elected by the school's staff other than the Headteacher whose place is automatic from start date in post unless a Headteacher declines it.
 Associate Members are not Governors, but may sit on one of the Committees of the Governing Body, and/or the full Governing Body, usually because they have specific skills. They can be appointed for between one and four years. Our Associate Members currently do not have any voting rights.
