

# Beckmead College: Parent & Carer Survey Feedback 2026

Based on the January 2026 Survey (25 responses), highlighting strong consensus on child well-being and school support.

## Student Well-being and Safety

## School Support and Communication

Over half of parents (56%) strongly agree that their child feels safe.

**92%** of parents agree their child is happy.

Only 8% of respondents remained neutral, with no parents disagreeing.

**84%** reported no instances of bullying.

For the small minority that did, 42.5% felt the school dealt with it quickly.

### The school supports success

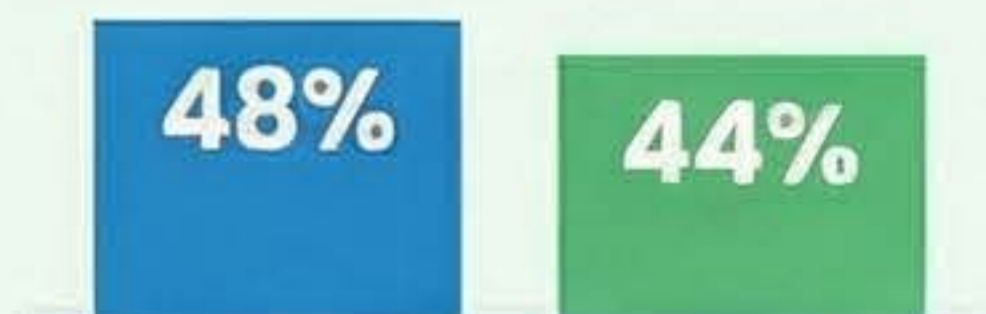

Parents feel the school provides the necessary support for their child to succeed.

### 92% satisfaction with school communication

The majority of parents agree the school communicates well about important matters.

Parents believe the school has the child's best interests at heart when making decisions.

**Overall Consensus:** Overwhelmingly positive feedback on child well-being, safety, and the college's communication and support systems.
