Policy:	To be reviewed annually

At The Sir Geoff Hurst Academy, we see our school uniform as a key part of our identity; however, it is also designed to provide our children with comfort and, where necessary, meet any sensory needs they may have. We have planned our uniform to be as cost-effective as possible.

The core uniform consists of the school sweatshirt, embroidered with the school logo. The sweatshirt supplier has been carefully chosen to try and get the softest material possible. In addition to the sweatshirt, we ask that your child wears navy/black or dark grey trousers, a red polo or cotton shirt, and footwear can be black shoes or trainers. We ask that children do not wear boots. Our PE kit consists of black shorts and/or tracksuit trousers, and a plain white t-shirt with the logo if you wish.

If a child does not wear uniform they may not be able to access the community and sanctions will be in place as per the Positive Behaviour Policy.

However, if you feel that your child has particular sensory needs that may need accounting for within our uniform expectations, then please get in touch, and we can be flexible around them as required.

School uniform is available to purchase from [One Stop School Gear](#) - a local provider in Chelmsford.
