1. Aims

This policy aims to show our commitment to meeting our obligations with regards to school attendance, including those laid out in the statutory guidance on [Working together to improve school attendance](#) from the Department for Education (DfE). We aim to achieve this through our whole-trust culture and ethos that values good attendance, which includes:

- Setting high expectations for the attendance and punctuality of all pupils
- Promoting good attendance and the benefits of good attendance
- Reducing absence, including persistent and severe absence
- Ensuring every pupil has access to the full-time education to which they are entitled
- Acting early to address patterns of absence
- Building strong relationships with families to make sure pupils have the support in place to attend school

We will also promote and support punctuality in attending lessons.

2. Legislation and guidance

This policy is based on the DfE's statutory guidance on [Working together to improve school attendance](#) and [School attendance parental responsibility measures](#). The guidance is based on the following pieces of legislation, which set out the legal powers and duties that govern school attendance:

- Part 6 of the [Education Act 1996](#)
- Part 7 of the [Education and Inspections Act 2006](#)
- [The School Attendance \(Pupil Registration\) \(England\) Regulations 2024](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)
- The [Equality Act 2010](#)

It also refers to:

- [School census guidance](#)
- [Keeping Children Safe in Education](#)
- [Mental health issues affecting a pupil's attendance: guidance for schools](#)
- [Ofsted's 2025 framework toolkit](#)

This policy also complies with our trust's funding agreement and articles of association.

4. Recording attendance

4.1 Attendance register

We will keep an electronic attendance register, and place all pupils on this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark, using the appropriate national attendance and absence codes from the School Attendance (Pupil Registration) (England) Regulations 2024, whether every pupil is:

- Present
- Attending an approved off-site educational activity

- Absent
- Absent – unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See Appendix 1 for the DfE attendance codes.

We will also record:

- For pupils of compulsory school age whether the absence is authorised or not
- The nature of the activity, where a pupil is attending an approved educational activity
- The nature of circumstances, where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

For local context please see Appendix 2

5. Monitoring arrangements

This policy will be reviewed as guidance from the local authority and/or DfE is updated, and as a minimum annually by Liam Collins, Associate Headteacher. At every review, the full board of trustees will approve the policy.

6. Links with other policies

This policy links to the following policies:

- Child protection and safeguarding policy

Appendix 2: Local Context

Name of the school: Chaffinch Brook school

- The school day starts at 08:20 (although academy doors open at 8.15) and ends at 2:30

Pupils must arrive in school by 08:20 on each school day.

The register for the first session will be taken at 08:20 and will be kept open until 08:50-The registers will formally close at 09:15.

The register for the second session will be taken at 1:15 and will be kept open until no longer than 30 minutes, according to page 19 of [Working together to improve school attendance](#).

1.1 Unplanned absence

The pupil's parent must notify the school of the reason for the absence on the first day of an unplanned absence as soon as practically possible, by calling the school office, who can be contacted via telephone number 0208 325 4612 and/or email;

ChaffinchOffice@beckmeadtrust.org

We will mark absence due to physical or mental illness as authorised unless the school has a genuine concern about the authenticity of the illness.

Where there are doubts about the authenticity of the illness, the school will ask for medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

1.2 Planned absence

They are occasions when absence is unavoidable. These include; illness, medical or education appointments.

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent must also apply for other types of term-time absence as far in advance as possible of the requested absence. See section 5 to find out which term-time absences the school can authorise.

1.3 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

The procedure for persistent lateness is the same as for absence-i.e. at 10% lateness the Head of School will write to the parents of the children to notify them that their child's punctuality is unsatisfactory. If there is no improvement, the Head of School may request an appointment to meet the parent/ carer and punctuality targets will be set.

1.4 Following up unexplained absence.

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call/ email
- the pupil's parent by 0915 on the morning of the first day of unexplained absence to ascertain the reason. If we do not receive a response by 10:00 am, we will call any of the pupil's emergency contacts.

- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session(s) for which the pupil was absent
- Call the parent on each day that the absence continues without explanation, to make sure proper safeguarding action is taken where necessary
- Where relevant, report the unexplained absence to the pupil's youth offending team officer
- Where appropriate, offer support to the pupil and/or their parents to improve attendance
- Identify whether the pupil needs support from wider partners, as quickly as possible, and make the necessary referrals
- Where support is not appropriate, not successful, or not engaged with: the school will issue a notice to improve, penalty notice or other legal intervention (see section 7 below), as appropriate]

1.5 Reporting to parents

The school will regularly inform parents (see definition of 'parent', as used in this policy, in section 3.8 above) about their child's attendance and absence levels via termly academic reviews, end of year reports or upon request.

2. Authorised absence

2.1 Approval for term-time absence

The Head of school will only grant a **leave of absence** to a pupil during term time if the request meets the specific circumstances set out in the [2024 school attendance regulations](#). These circumstances are:

- Taking part in a regulated performance, or regulated employment abroad
- Attending an interview
- Study leave
- A temporary, time-limited part-time timetable
- Exceptional circumstances

A leave of absence is granted at the Head of school's discretion, including the length of time the pupil is authorised to be absent for.

We define 'exceptional circumstances' as rare and unexpected circumstances which are unlikely to reoccur. Examples include:

- Medical emergencies

- Family emergencies (e.g. death of a relative)

Leave of absence will not be granted for a pupil to take part in protest activity during school hours.

As a leave of absence will only be granted in exceptional circumstances, it is unlikely a leave of absence will be granted for the purposes of a family holiday.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant background context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least two weeks before the absence, and in accordance with any leave of absence request form, accessible via the school office. The Head of school may require evidence to support any request for leave of absence.

2.2 Other reasons for authorised absence

Other valid reasons for **authorised absence** include (but are not limited to):

- Illness (including mental-health illness) and medical/dental appointments (see sections 4.2 and 4.3 for more detail)
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parent(s) belong (s). If necessary, the school will seek advice from the parent's religious body to confirm whether the day is set apart
- Parent(s) travelling for occupational purposes – a pupil is a mobile child if their parent is travelling in the course of their trade or business and the pupil is travelling with them. In these circumstances a pupil will be considered as a mobile child, provided they are of compulsory school age and have no fixed abode and whose parent is in a trade or business that requires them to travel from place to place
- If the pupil is currently suspended or excluded from school (and no alternative provision has been made)

2.3 Absences from the school site (which are not classified as absences)

Other reasons the school may allow a pupil to be absent from the school site, which are not classified as absences, include (but are not limited to):

- Attending an offsite approved educational activity, sporting activity or visit or trip arranged by the school
- Attending another school at which the pupil is also registered (dual registration)
- Attending provision arranged by the local authority
- Attending work experience
- If there is any other unavoidable cause for the pupil not to attend school, such as disruption to travel caused by an emergency, a lack of access arrangements, or because the school premises are closed.

3. Strategies for promoting attendance

We want our pupils to succeed and develop their skills. To do this, pupils need to avoid missing lessons and days of school as much as possible. As a school, we want to reward high attendance and not just penalise pupils for poor attendance.

We celebrate exceptional school attendance each half term during our whole-school assemblies. Children who achieve 96% attendance and above are proudly recognised in our Assembly and awarded a special certificate to honour their dedication and consistency. Further prizes and awards may be presented for attendance.

4. Supporting pupils with poor attendance

Our schools will make use of the full range of support and potential sanctions – including, but not limited to, those listed below – to tackle poor attendance. Decisions will be made on an individual, case-by-case basis.

4.1 Attendance contract

We use attendance contracts as a form of attendance support.

An attendance contract is a formal written agreement between a parent and the school to address irregular attendance at school. An attendance contract is not legally binding, but it provides a more formal route where previous support has not worked or would not have been appropriate.

Parents cannot be compelled to enter an attendance contract, and the school cannot agree an attendance contract in a parent's absence.

Where an attendance contract would be an appropriate form of support, the school will arrange a meeting with the parent (and pupil if they are old enough to understand) to discuss how we can work in partnership to improve the pupil's attendance.

Where parents fail to comply with an agreed attendance contract, the school may seek an alternative course of action. In the first instance, this will include discussions with the parents to seek explanations and determine whether the attendance contract remains useful. Where there is further non-compliance following these discussions, the school may take further action.

4.2 Education supervision order

In cases where voluntary early help plans and attendance contracts have been unsuccessful; we may work with the local authority to issue an education supervision order. If an education supervision order is considered, the local authority will inform the parent(s) in writing and will set up a meeting.

An education supervision order is a formal intervention but not criminal prosecution.

An education supervision order initially lasts for 1 year, but it can be extended within the last 3 months for a period of up to 3 years at a time.

In cases where parents persistently fail to meet the directions given under the education supervision order, they may be liable to a fine of up to £1,000 upon conviction.

4.3 Notice to improve

If the national threshold has been met and support is appropriate, but parents do not engage with offers of support, the school may offer a notice to improve to give parents a final chance to engage with support.

Notices to improve will be issued in line with processes set out in the local code of conduct for the local authority area in which the pupil attends school.

They will include:

- Details of the pupil's attendance record and of the offences
- The benefits of regular attendance and the duty of parents under [section 7 of the Education Act 1996](#)
- Details of the support provided so far
- Opportunities for further support, or to access previously provided support that was not engaged with
- A clear warning that a penalty notice may be issued if attendance doesn't improve within the improvement period, along with details of what sufficient improvement looks like, which will be decided on a case-by-case basis
- A clear timeframe of between 3 and 6 weeks for the improvement period
- The grounds on which a penalty notice may be issued before the end of the improvement period

4.4 Penalty notices

The Head of school (or a deputy or assistant headteacher, authorised by the Head of school, local authority or the police can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age, by issuing a penalty notice.

If the school issues a penalty notice, we will check with the local authority before doing so, and send the local authority a copy of any penalty notice issued.

Before issuing a penalty notice, the school will consider the individual case, including:

- Whether the national threshold for considering a penalty notice has been met (10 sessions of unauthorised absence in a rolling period of 10 school weeks)
- Whether a penalty notice is the best available tool to improve attendance for that pupil
- Whether further support, a notice to improve or another legal intervention would be a more appropriate solution

- Whether any obligations that the school has under the Equality Act 2010 make issuing a penalty notice inappropriate

Each parent who is liable for the pupil's offence(s) can be issued with a penalty notice, but this will usually only be the parent/parents who allowed the absence.

The payment must be made directly to the local authority, regardless of who issues the notice. If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

If issued with a **first** penalty notice, the parent must pay £80 within 21 days, or £160 within 28 days.

If a **second** penalty notice is issued to the same parent in respect of the same pupil, the parent must pay £160 if paid within 28 days.

A **third** penalty notice cannot be issued to the same parent in respect of the same child within 3 years of the date of the issue of the first penalty notice. In a case where the national threshold is met for a third time within those 3 years, alternative action will be taken instead.

A penalty notice may also be issued where parents allow their child to be present in a public place during school hours without reasonable justification, during the first 5 days of a suspension or exclusion (where the school has notified the parents that the pupil must not be present in a public place on that day). These penalty notices are not included in the National Framework, are not subject to the same considerations about support being provided, and do not count towards the limit as part of the escalation process.

In these cases, the parent must pay £60 within 21 days, or £120.

5. Supporting pupils who are absent or returning to school

5.1 Pupils absent due to complex barriers to attendance

If the school becomes aware of barriers that relate to the pupil's needs, we will inform the local authority.

For pupils with ASD and complex SEND, we recognise that attendance barriers are often linked to sensory overload, high anxiety, or emotionally based school avoidance (EBSA). We take an initiative-taking, relational approach by collaborating closely with families to co-produce flexible return-to-school plans and sensory-informed transition strategies.

5.2 Pupils absent due to mental or physical ill health

Where a pupil is absent due to mental or physical ill health, our priority is to maintain engagement with education while supporting their well-being. We work collaboratively with parents/carers and relevant external health professionals (such as CAMHS, occupational therapists, or medical specialists) to ensure a compassionate and structured approach.

When required this may include:

Remote & Accessible Learning: When a pupil is well enough to engage, we provide accessible home-learning resources, tailored online tasks, or physical work packs to maintain educational continuity.

Reasonable Adjustments: To facilitate a manageable return or ongoing attendance, we offer flexible adaptations such as: Reduced or phased timetables co-produced with the family.

5.3 Pupils absent due to other barriers to attendance

For pupils facing wider barriers; including those pupils eligible for Pupil Premium, young carers, or those with current or historical Children's Social Care involvement; the school deploy timely, targeted, and well-chosen interventions to safeguard their attendance and well-being. We collaborate closely with families, social workers, and multi-agency partners to co-design bespoke support, such as flexible timetable adjustments and practical assistance with transport or resources.

5.4 Pupils returning to school after a lengthy or unavoidable period of absence

We support pupils returning from extended absences through a structured, personalised reintegration plan co-produced with the family. To ensure a smooth transition and prevent overwhelm, we offer flexible adaptations such as phased timetables, soft arrivals, manageable academic catch up, and access to quiet spaces. Follow ups and check-ins to monitor well-being, adjusting support dynamically to rebuild confidence and sustain a successful return to full-time education.

6. Attendance monitoring

To ensure early intervention and maintain high attendance standards, our [school/trust] systematically collects, tracks, and analyses attendance, absence, and punctuality data. We use data-driven insights to identify patterns early, deploy targeted support, and evaluate the impact of our interventions.

6.1 Monitoring attendance

The school will monitor attendance and absence data (including punctuality) weekly, half-termly, termly and yearly across the school and at an individual pupil, year group and cohort level.

Specific pupil information will be shared with the DfE on request.

Data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics.

The school will benchmark its attendance data at whole school, year group and cohort level against local, regional, and national levels to identify areas of focus for improvement and share this with the local governing body.

6.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils, groups or cohorts that need additional support with their attendance
- Identify pupils whose absences may be a cause for concern, especially those who demonstrate patterns of persistent or severe absence
- Conduct thorough analysis of half-termly, termly, and full-year data to identify patterns and trends
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns
- Identify attendance patterns across the trust to identify common issues and barriers and share effective practice between schools

6.3 Using data to improve attendance

Chaffinch Brook School will:

- Develop targeted actions to address patterns of absence (of all severities) of individual pupils, groups or cohorts that it has identified via data analysis
- Provide targeted support to the pupils it has identified whose absences may be a cause for concern, especially those who demonstrate patterns of persistent absence, and their families (see section 6.4 below)
- Provide regular attendance reports to form tutors, to facilitate discussions with pupils and families, and to the local governing body and school leaders (including special educational needs co-ordinators, designated safeguarding leads and pupil premium leads)
- Use data to monitor and evaluate the impact of any interventions put in place to modify them and inform future strategies
- Share information and work collaboratively with other trusts and schools in the area, local authorities and other partners where a pupil's absence is at risk of becoming persistent or severe, including keeping them informed regarding specific pupils, where appropriate

6.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school. Reducing persistent and severe absence is central to the school 's strategy for improving attendance.

The school will:

- Use attendance data to find patterns and trends of persistent and severe absence
- Consider potential safeguarding issues and, where suspected or present, address them in line with Keeping Children Safe in Education
- Hold regular meetings with the parents of pupils who the school (and/or local authority) considers to be vulnerable or at risk of persistent or severe absence, or who are persistently or severely absent, to:
 - Discuss attendance and engagement at school
 - Listen, and understand barriers to attendance
 - Explain the help that is available
 - Explain the potential consequences of, and sanctions for, persistent and severe absence
 - Review any existing actions or interventions
- Provide access to wider support services to remove the barriers to attendance, in conjunction with the local authority, where relevant
- Consider alternative support that could be put in place to remove any barriers to attendance and re-engage these pupils. In doing so, the school will sensitively consider some of the reasons for absence
- Implement sanctions, where necessary (see section 7, above)

7.1 The school attendance officer

The school attendance officer at each school is responsible for:

- Monitoring and analysing attendance data (see section 9)
- Benchmarking attendance data to identify areas of focus for improvement
- Providing regular attendance reports to school staff and reporting concerns about attendance to the designated senior leader responsible for attendance, and the Head of school
- Working with education welfare officers to tackle persistent absence
- Advising the head of teacher /assistant headteacher (authorised by the headteacher) when to issue fixed-penalty notices.

7.3 Form Tutors:

All Form tutors are responsible for recording attendance for both morning and afternoon sessions on a daily basis, using the correct codes (see Appendix 1), and submitting this information to the school office on the same day.

7.4 School admin staff

School admin/office staff will:

- Take calls from parents/carers about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents/carers to the Head of School where appropriate, to provide them with more detailed support on attendance

7.5 Parents

Where this policy refers to a parent, it refers to the adult the school and/or local authority decides is most appropriate to work with, including:

- All natural parents, whether they are married or not
- All those who have parental responsibility for a child or young person
- Those who have day-to-day responsibility for the child (i.e. lives with and looks after them)

Parents are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence before 9am on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their child
- Ensure that, where possible, appointments for their child are made outside of the school day
- Keep to any attendance contracts that they make with the school and/or local authority
- Seek support, where necessary, for maintaining good attendance, by contacting the school as soon as possible.

7.6 Pupils

Pupils are expected to:

- Attend school and timetabled session every day, on time
