Statement of use of recovery premium and national tutoring programme 2021- 2022

1. Summary information					
School	Beckmead Park Academy			Type of SEN	SEMH, ASD, Social Anxiety + challenging behaviour
Academic Year	2021-2022	Total catch up budget from last year	Recovery premium: £19,074.14 National tutoring programme: £25,177.92 Total £44,252.06	Date of Croydon LGB governor reviews: tbc	July 2022
Total number of pupils	120	Number of pupils eligible		Date for next internal review of this strategy	Jan 2023

2. Outcomes expected, with success criteria.		
a)	To attend school full time as soon as possible. Monitor and analyze attendance data; phase leads to discuss support with attendance lead weekly.	At least 40% attendance for 1 st full week, and over 60% for term 1.
b)	Pupils make good progress, as defined by tutors or subject coordinators, in their EHCP outcomes. Tutors monitor the progress; pupil and parent response to progress; leadership team to monitor and target support as needed; gather parent/pupil views on EHCP progress and reviews.	EHCP outcomes achieved 80% on average for each pupil. Positive responses from parent/pupil questionnaires.

academy

c)	To participate and cooperate in lessons throughout the day, making good learning progress. Monitored and analyzed through high leadership team presence; teacher discussions; Evidence for Learning data; and Arbor data-e.g. continuum, teacher assessment	Improved rate of progress for the pupils that have been struggling to make expected progress due to barriers to learning.
d)	To attain expected external accreditations. Evidenced externally through exam results. Range of interventions in place to reduce gaps in missed learning.	Data will show pupils' expected exam results are achieved. Teacher assessment and Arbor continuum of skills to show expected progress. Updated Math and English resources.
e)	Reading progress, throughout the school, is good as predicted by tutors, literacy lead and teachers of English. Evidenced through tutor monitoring; leadership monitoring; baseline data and predicted attainment in reading; questionnaires for parents/pupils.	Over 80% of pupils make good progress in reading. Trust Lead QA visits with feedback. Updated texts for curriculum and free reading.
f)	Robust range of careers related visits and guidance including workshops and presentations from external providers. Year 11 students receive a bespoke transition plan for their new post-16 placements.	All year 11 students to have visited and had a transition period at their chosen college/provision. All primary to secondary students receive comprehensive transition activities. This includes parents/ carers sessions.

3. Planned expenditure					
Academic year		2021- 2022			
The headings below enable schools to demonstrate how they are using the catch up funds to reduce the gaps in pupil learning, emotional and social well-being, and communication skills due to the 2020- 2021 pandemic.					
Details					
Desired outcome	Chosen action/approach	What is the evidence & rationale for this choice?	How will you ensure it is implemented well?	Cost	When will you review implementation?
